# ***Detroit Air Pollution and Exposure Research Study***

Air Pollution Research Team:  
Anne Rea, Ronald Williams,  
Alan Vette, Holly Wilson, and Linda Sheldon  
U.S. Environmental Protection Agency

## *What do we want to know?*

- Does a centrally located community air monitor measure

...the same levels  
as a residential  
air monitor?

# Why are we studying the Air in Detroit?

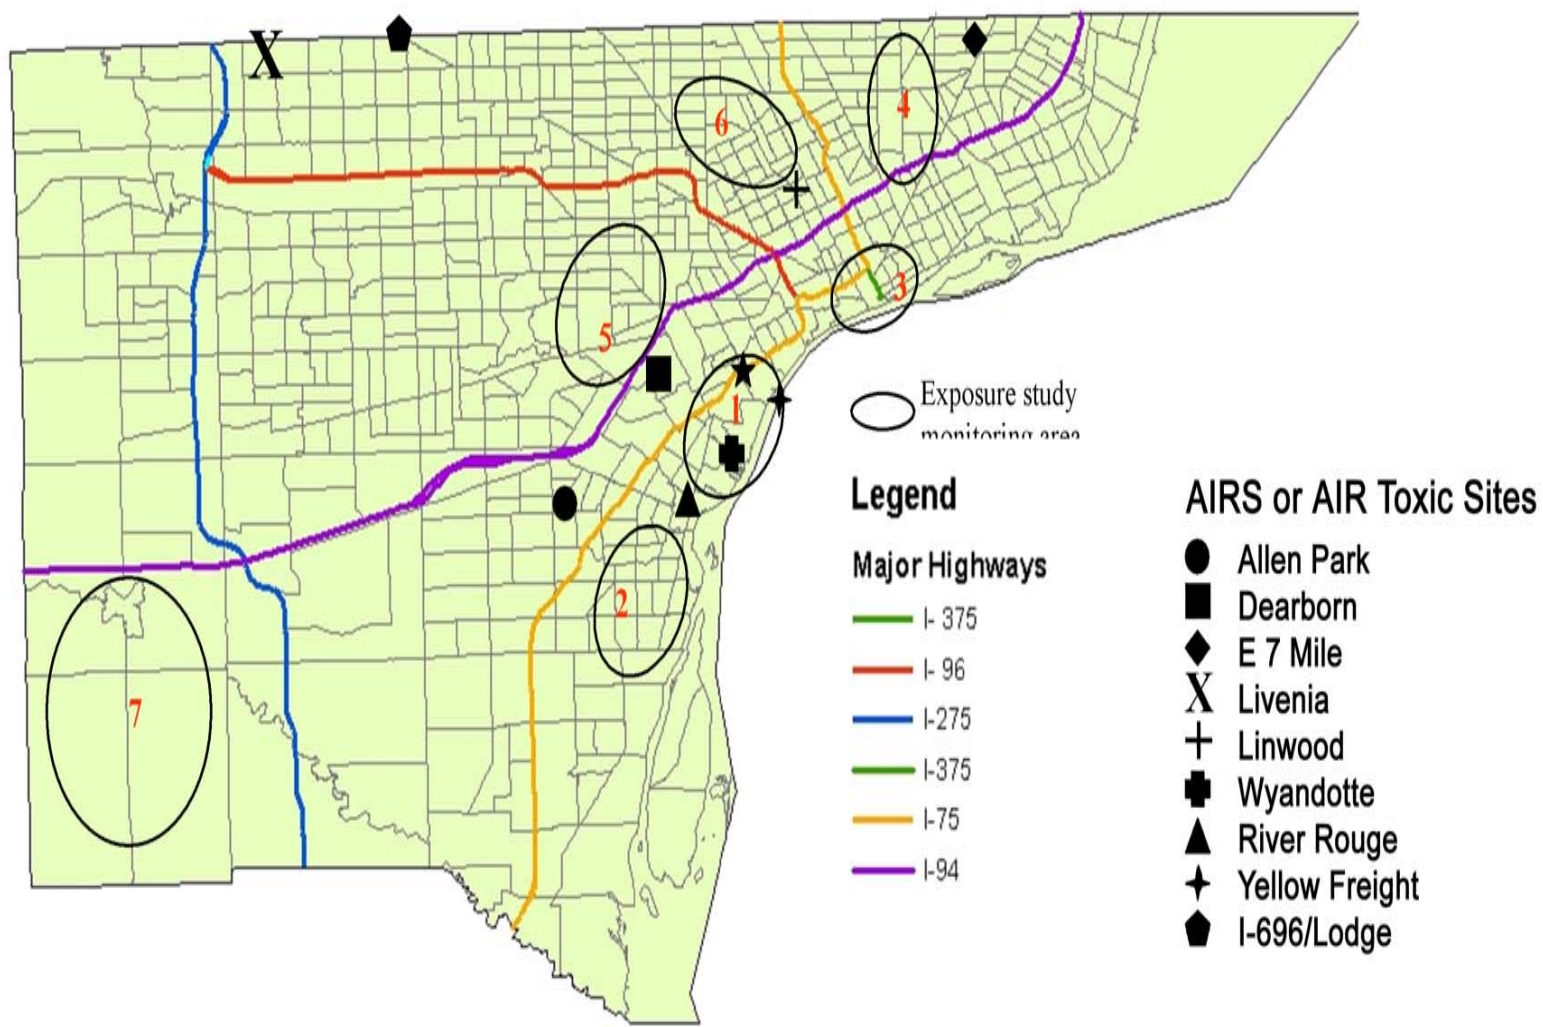

# *Why are we studying the Air in Detroit?*

Building a  
scientific  
foundation  
for sound  
environmental  
decisions

# Seven Monitoring Areas

# *Participant Involvement*

- Personal air monitoring vest
- Time Activity Diary
- 5 days, 2 seasons

# Indoor & Outdoor Monitors

- Receive \$300 for full participation

# *Recruitment Video...*

# ***We Want Your Feedback!***

- What do you think of our brochure and recruitment video? Any suggestions for improvement?
- What do you believe is the best way for us to introduce this study to your community?
- What do you believe would be the most effective participant recruiting strategy?
- What would make the study of more value to those who might be willing to participate?
